

REMARKS

On September 12, 2005, the Examiner issued an Office Action containing an Election Requirement. The Office Action is defective in that the Examiner has ignored a Preliminary Amendment contained in the Patent Application Transmittal. Enclosed are copies of the Patent Application Transmittal and a Patent Office Date-Stamped Post Card.

In the Preliminary Amendment, claims 1-8, 16-18 and 20-22 are cancelled. These cancelled claims correspond with "Invention I." The Examiner indicates that claim 15 is part of Invention I. However, claim 15 depends on claim 14, which the Examiner acknowledges is part of Invention II. It is submitted that claim 15 is part of Invention II.

In view of the cancelled claims, applicants clearly wish to pursue Invention II in the present application. Within Invention II, applicant selects Species II-B.

If there are any questions regarding this response, such questions can be addressed by telephone to the undersigned. Otherwise, an early action on the merits is respectfully requested.

Respectfully submitted,

STAAS & HALSEY LLP
